

**Chief Minister directs Divisional Commissioner,
Saharanpur to probe gas leak incident in Shamli district**

**District Magistrate, other officers directed to provide
best possible and prompt treatment to affected children**

**Effective treatment of children taken
ill because of gas leak should be ensured**

Lucknow : 10 October, 2017

Uttar Pradesh Chief Minister Yogi Adityanath ji has taken a grim view of the gas leak incident at a sugar mill in Shamli district and its affect on a large number of school children. He has directed the Divisional Commissioner of Sharanpur to investigate the incident and send a report to the state government.

Providing this information a State Government spokesman said that the Chief Minister has also directed the District Magistrate of Shamli and other officers to extend prompt and all possible help to the children effected in the incident. Yogi ji has also issued instruction for necessary and affective treatment to the children taken ill due to gas leakage.
