given from the Chief Minister's Discretionary Fund**

**Directions also given to provide free
treatment to the injured in government hospitals**

Lucknow : 01 November, 2017

Uttar Pradesh Chief Minister Yogi Adityanath ji has deeply mourned the death of workers at the National Thermal Power Corporation (NTPC) plant at Unchahar in are Bareli district. He has also extended his sympathies to the bereaved families.

The Chief Minister has also issued directives for Rs. 2-2 lakh each to the families of deceased, Rs. 50-50,000 to critically injured and Rs. 25,000 each to the injured. Yogi ji while praying for speedy recovery for the injured has also directed concerned authorities to ensure free and prompt treatment to those injured in the mishap.

He has also directed Principal Secretary (Home) to coordinate the rescue and relief works and senior officials have been asked to go to the accident side and provide immediate help to those affected.
