Uttar Pradesh Chief Minister Yogi Adityanath ji has greeted people of the state on Guru Nanak Jayanti and Kartik Purnima. In a message released today, the Chief Minister said that the founder of Sikhism, Guru Nanak Devji's message of social harmony and '*Sarva-Dharm Sambhav*' holds the welfare of the entire society and humanity.

He added that Guru Nanak Dev ji shunned blind faith and show off and gave a new direction to the Society. Referring to the significance of the Kartik Purnima, Yogi ji said that this day has a special significance in Indian culture and traditions. Lord Vishnu took the '*Matsya Avatar*' on this day and safeguarded the *Sapt Rishi's* and *Veda's* till the end of '*Pralay*' and it was because of this that the nature could be recreated again.

With this, Lord Shiva also ended the menace of a demon called *Tripurasur* on this very day. He also added that this day also provides an opportunity for the human race to connect with nature.
