

ITC CEO Mr Sanjeev Puri calls on Chief Minister

Investment opportunities in the state discussed during the meeting

ITC gives Rs. 1100 crore investment proposals in consumer food items, green energy and for a logistics hub in Ghaziabad

CEO of ITC lauds the policies of the state government for promoting investment and industrial development

ITC keen on increasing its business activities in Uttar Pradesh

Lucknow: 10 February, 2018

Chief Executive Officer of the ITC Mr. Sanjeev Puri called on Uttar Pradesh chief minister Yogi Adityanath ji at his official residence here today. On this occasion, investment opportunities in the state were discussed.

During the meeting, the CEO of ITC gave proposals worth more than Rs. 1100 crore in consumer food items, green energy and for setting up of a logistics hub in Ghaziabad. Mr. Sanjeev Puri also lauded the policies of the State Government for promoting investment and industrial development. He also informed the Chief Minister that his company was keen to increase its business activities in Uttar Pradesh.

The Chief Minister informed the visiting CEO that the State Government was working to ensure 'ease of doing business' to the optimum in the state for investors and had rolled out many facilities for the industry. He also said that sector wise policies under the Industrial Investment and Employment Promotion Policy has been charted out.

Yogi ji added that due to these facilities and policies, businessmen and investors had set their eyes on Uttar Pradesh as their favorite and ideal destination for investment. The chief minister also extended an invite to Mr. Puri to attend the UP Investors' Meet to be held in the state capital on February 21-22.

Also present during the meeting was IIDC Mr. Anoop Chandra Pandey.
