

Fire Service has a big role in security of people in the state

**DG Fire Services pins flag on the Chief Minister
on occasion of the Fire Services Martyr Memorial Day**

Lucknow: 14 April, 2018

Director General of the Fire Service Mr. Praveen Singh pinned a flag on the Chief Minister Yogi Adityanath ji at his official residence on the occasion of Fire Services Martyr Memorial Day.

On this occasion, the Chief Minister said the department plays a pivotal role in the safety and security of the people of the state and stressed on the need of not only strengthening the department but also making people aware about fire mishaps, so that such incidents can be minimized.

Also present on the occasion were deputy Chief Minister Dr. Dinesh Sharma and senior officials of the Fire Service department. It may be pointed out here that on April 14, 1944 a cargo ship called SS Fort Stikine had caught fire at the Mumbai harbour and in trying to douse the fire many firemen had died and thereafter this day is observed as the Fire Services Martyr Memorial Day.
