Lucknow: 29 September, 2018

Uttar Pradesh Chief Minister Yogi Adityanath ji today flagged off two mobile medical treatment vehicles in Gorakhpur district. Both vehicles have latest techniques and facilities to treat serious ailments and would go to far flung areas and provide better health care.

Both these mobile treatment vehicles will be run by the Tata Trust. After this, the Chief Minister inaugurated an eye check up camp at the Guru Gorakshnath hospital where he said that providing vision to people was a great and noble work. This gives a new lease of life to people, Yogi ji said.

Patients identified by doctors and specialists after free check up will be given necessary medical treatment and operations if needed will be done. The Chief Minister informed the gathering that the state government was working to provide better health services to the people and said that the poor are being given pension, houses and benefits of other public welfare schemes.

Also present on the occasion were senior officers of the government and district administration.
