Chief Justice inaugurates three day sports event

Lucknow: February 08, 2019

The Chief Justice of Allahabad High Court, Mr. Justice Govind Mathur said that one does not only remains fit by participating in sports events, but also remains stress free. He said that due to being very busy in judicial works, judges do not get time to participate in sports. The initiative taken by the Judicial Services Association to organise sports event for judges is laudable.

The Chief Justice was inaugurating the 23rd three day sports event for UP judicial officers organised by the UP Judicial Services Association in the KD Singh Babu Stadium here today. He said that the judicial officers are sparing time and participating in the event. There is a very important role of judicial officers in the society. By participating in the sports event, they will be relieved from mental stress and their health will also improve. He gave best wishes to the participants.

The Minister for Law and Justice, Shri Brijesh Pathak said that judicial officers remain in stress due to excessive work load. He said that it is very important to take part in sports to stay healthy and stress free. Participants should play with sporting spirit. He congratulated the organisers and said that these types of events must be organised from time to time.

The Chairman of sports event organising committee and District Judge, Shri Surendra Kumar Yadav, expressed his gratitude towards all the guests and judicial officers came from all over the state.
