**20 lakh Solar Study Lamps
Distributed with help of IIT Mumbai**

Lucknow: July 16, 2019

With the help of IIT Mumbai, as many as 20 lakh solar study lamps against the target of 34 lakh have been distributed to students in 115 development blocks of 29 districts of the state under the National Rural Livelihood Mission (NRLM). With this, 4000 females of self help groups have been covered.

The Principal Secretary, Rural Development, Shri Anurag Srivastava, gave this information here today. He said that under NRLM, various activities are being run with an objective to financially strengthen females.
