

Construction of ropeways at three places

Lucknow: August 30, 2019

The Uttar Pradesh Government is getting constructed heliports to connect the important tourist places with helicopter services. Administrative and financial sanction has been given for construction of heliport/ helipad/ air strip at Varanasi, Mathura, Agra, Prayagraj and Lucknow.

According to information received from Tourism Department, besides constructing heliports, the government is also constructing ropeways on PPP model at Vindhyachal, Barsana (Mathura) and Chitrakoot.
