Lucknow : 05 May, 2020

In order to garner revenue, Uttar Pradesh Chief Minister Yogi Adityanath Ji has directed to start businesses with full Covid protection protocol as per the advisory of Government of India. This is to be ensured that industrial activities should be functionalise with maintenance of social distancing and entire health protocol.

Addressing a high-level Lockdown review meeting at Lok Bhawan here on Tuesday, he said the necessary changes in the policies should be

considered to accelerate the industrial activities. He said while the single window mechanism should be strengthened, the Labour department should prepare an action plan for labour reform in the state,

Lauding the concept of Jansunwai portal to facilitate movement of migrants, stuck due to Lockdown, from other states to UP and from UP to other states, the CM said the portal has started registration. He directed to ensure effective action in this regard.

He said the persons stuck in other countries are likely to be brought back in the coming days hence the quarantine arrangements should be ready for those coming by air. He said the medical screening facilities should be in place at Lucknow, Varanasi and Hindon airports.

The CM directed the official to equip Covid hospitals fully while ramping up the testing capacity. He said that the training of doctors and paramedics should be expedited and the State Corona Helpline toll-free no 1800-180-5145 should be publicised for medical consultation for other ailments as well. Stressing the urgent need of proper disposal of bio-waste in the hospitals, the CM said it is very important to check medical infection. He said the new testing labs should be set up while ensuring the arrangement for bio-waste disposal.

He also asked to ensure all preventive measures to protect police force and medical staff from medical infection. He was apprised that the recovery rate of Covid in UP is 33 per cent which is six per cent more than the national average of 27 per cent.

The CM also took stock of the latest status of supply of essential commodities, Door Step Delivery and Supply chain and expressed satisfaction over it. This should be continued in future as well so that the people do not face any problem. He instructed for strict enforcement of lockdown.

He also instructed to set up more quarantine centres and adequate sanitation in the existing quarantine centres/shelter homes, he directed the officials to ensure supply of quality food through community kitchen. The CM told the DMs to send reports of quarantine centres and shelter homes

regularly while ensuring that the nodal officers for quarantine centres and shelter homes also send to them their respective reports about the arrangements regularly.

The CM said that in order to avoid crowding in Mandis, a time table should be prepared for different activities. Social distancing, sanitation and compulsory use of face cover/mask should be followed in the Mandis, he pointed out.

He said that the migrant labourers and workers should be linked to milk samitis to make them financially self-dependent. He said that an action plan should be prepared for foot-and-mouth disease immunisation of milch cattle. The CM also asked the officials to make available houses under PM Awas Yojana and affordable housing scheme to the citizens living in city slums.
